## **CHHA Initial Certification Process**

### **Applicant Responsibilities**

The Board of Nursing has changed the process for Homemaker Home Health Aide (CHHA) certification. The Board is no longer accepting Eligibility Lists from Program Coordinators. Instead, each program graduate is required to submit his or her own application directly to the Board, along with all supporting documents. It is crucial that programs educating HHAs continue to support them in completing the applications. The responsibility is shifting to the applicant who needs to provide the Board with the notarized application and all supporting documents. The Board will contact applicants directly if there are deficiencies.

By way of reminder, each application must include the following:

1. a notarized application for certification;
2. a 2" x 2" color passport photo;
3. a copy of your birth certificate (English translation, if applicable);
4. proof of legal name change, if applicable;
5. immigration documents, if applicable;
6. criminal history documents, if applicable,
7. a signed promise of employment on official company letterhead from any agency approved to employ HHAs (HHAs can only work under the supervision of an RN, they cannot work as independent contractors); and
8. applicable fees in the form of a certified check or money order.

### **Program Coordinator Responsibilities**

Instead of submitting Eligibility Lists, the Board is requiring program coordinators to **e-mail a pdf file** including a Graduate List, listing all individuals who successfully completed and graduated from the 76-hour Board-approved program. The coordinators are required to also provide letters of completion for each program graduate for the approved program session. These documents can be scanned into one .pdf file and provided to the Board. Please e-mail the Board [NJHHA@dca.lps.state.nj.us](mailto:NJHHA@dca.lps.state.nj.us) the name of the individual who will be providing this information to the Board.

A Sample Graduate List (form) is included in this packet. Letters of completion are to be prepared on official program letterhead, signed by the Program Coordinator and stamped with the official school or business stamp, if available. A sample letter of completion is included in this packet. The original copies are to be retained by the program. The **.pdf copies** will be held by the Board pending receipt of the HHA's application. Promise of employment letters can be also scanned, if the program providing the education is also the employing agency.

Re: Change in CHHA Certification Process Notice

Dear Agency Administrator:

Beginning April 15, 2014, the Board of Nursing will be using a new process for homemaker-home health aide (HHA) certification. The Board will no longer require the use of eligibility lists. CHHA applicants must submit their applications directly to the Board and supply all supporting documents. These documents must include:

- 1) a notarized application for certification;
- 2) a 2" x 2" color passport photo;
- 3) proof of legal name change, if applicable;
- 4) immigration documents, if applicable;
- 5) criminal history documents, if applicable;
- 6) a signed promise of employment on official company letterhead from any agency approved to employ HHAs (HHAs can only work under the supervision of an RN, they cannot work as independent contractors); and
- 7) applicable fees in the form of a certified check or money order.

In lieu of eligibility lists, HHA programs shall submit directly to the Board of Nursing, individual letters of completion for each person who successfully completed the 76-hour Board-approved program. These letters, to be signed and submitted on official program letterhead, will be held by the Board pending receipt of the HHA's application. The letters must state the approved program dates and that the individual has successfully completed the program. The Board will not accept letters of completion from HHA applicants.

The Board will contact applicants directly if there are deficiencies in their applications. Applicants will be responsible for the completeness of their applications.

The Board hopes these changes will result in a more efficient certification process.

Sincerely yours,

George J. Hebert, M.A., R.N.  
Executive Director

## 10. Medical Conditions Questions

Questions **a** through **f** pertain to medical conditions and use of chemical substances. Please read the definitions carefully. Your responses will be treated confidentially and retained separately. Please be aware that you have the right to elect not to answer those portions of the following questions which inquire as to the illegal use of controlled dangerous substances or activity if you have reasonable cause to believe that answering may expose you to the possibility of criminal prosecution. In that event, you may assert the Fifth Amendment privilege against self-incrimination. Any claim of Fifth Amendment privilege must be made in good faith. If you choose to assert the Fifth Amendment, you must do so in writing. You must fully respond to all other questions on the application. Your application for licensure will be processed if you claim the Fifth Amendment privilege against self-incrimination. You should be aware, however, that you may later be directed by the Attorney General to answer a question that you have refused to answer on the basis of the Fifth Amendment, provided that the Attorney General first grants you immunity afforded by statutory law. (N.J.S.A. 45:1-20.)
